January 16 - February 3 2023

Wasaa Summer School - Brest, France

A 3 week program dedicated to BSc3-4 or MSc1 students which include:

- > Hot topics like Artificial Intelligence, Virtual Reality, Human Factors, Robotics, Cybersecurity, Communications & Keynote lectures
- > Industry visits & cultural visits
- > French language initiation
- > Social activities with French and international students

Courses

You can choose one track*among 4. (A) **Artificial Intelligence and Robotics**, (B) **Virtual Reality and Augmented Reality**, (C) **Communication Systems**, (D) **Human Factors**. In addition 3 keynote lectures will be offered: Human Factors, Augmented Vision, Challenges in Cyber Security.

Visits & Activities

Industry visits will offer opportunities to meet engineers working in the top technologies areas and their challenges.

Cultural visits will give you a chance to discover Brest and its beautiful surroundings. The program also includes many social activities with French and international students.

Brest is only 1 hour by plane from Paris.

Sport

The **campus is well equipped with two sport halls and great outdoor areas.** Soccer is of course very popular but basket-ball, badminton, rock climbing, fitness and many others are available.

Accommodation

The students will live on campus at the student residences in individual bedrooms.**

The cost for 3 weeks is about 350€. Shared cooking facilities are available but most students choose to enjoy the quality of our local products at our school restaurant.

*Tracks are opened subject to a sufficient number of participants enrolled.

**Subject to availability.

Dates & Fees

January 16 - February 3 2023

Students are expected to arrive on Sunday 15 January. On Friday 3 February, the Summer School ends at 4PM. Travel arrangements may take this into account. Departure also possible on Saturday 4. On those days, a pick up can be arranged at Brest airport or at the train station.

Fees are 1500€.**

Students nominated by a partner university of the Wasaa group will not be charged fees.

***Accommodation, meals, insurance and travel are not included.

Contact & Application

Students from partner institutions, please contact your international office before September 15, 2022
