January 15 - February 2, 2024

# Wasaa Summer School Brest, France

A 3 week program dedicated to BSc 3-4 students which include hot topics like:

Mixed Reality, Cognitive Psychology & Neurofeedback,  
Artificial Intelligence & Robotics,  
Cybersecurity,  
Space Tech,

- Scientific courses, research project & Keynote lectures
- Industry & Cultural visits
- French language initiation
- Social activities with French and international students

## The program

You can choose **one track among 4**

[Click here for pre-requisites](#)

For their **research project**, the students will be integrated in local research laboratories where they will carry out research work in small groups.

**Industry visits** will offer opportunities to meet engineers working in the top technologies areas and their challenges.

It will also be an opportunity to discover **French Language** and French Culture including a dinner in a gourmet restaurant.

**Cultural visits** will give you a chance to discover Brest and its beautiful surroundings.

Course equivalencies: **6 European Credits (ECTS)**

Brest is only 1 hour by plane from Paris.

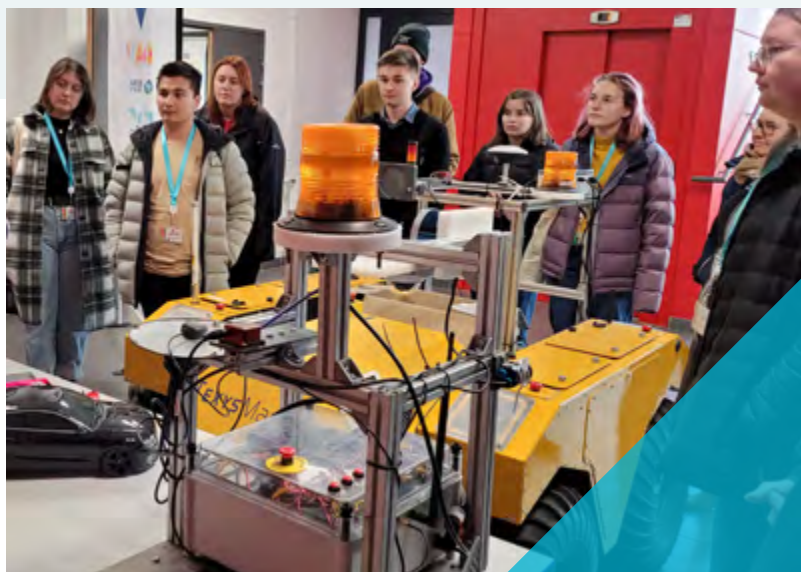

## Sport

The **campus is well equipped** with **two sport halls and great outdoor areas**. Football is of course very popular but basket-ball, badminton, rock climbing, fitness and many others are available.

## Accommodation

The students will live on campus at the student residences in individual bedrooms.(1)

The cost for 3 weeks is about 350€. Shared cooking facilities are available but most students choose to enjoy the quality of our local products at our school restaurant.

## Dates & Fees

**January 15 - February 2, 2024**

Students are expected to arrive on Sunday 14 January. On arrival, a pick up can be arranged at Brest airport or at the train station.

On Friday 2 Feb. the Summer School ends at 5PM. Travel arrangements may take this into account. Departure also possible on Saturday 3.

**Fees are 1750€ (2)**

Students nominated by a partner university of the Wasaa group will not be charged fees.

## Contact & Application

Students from partner institutions, please contact your international office before September 15, 2023

**IMT Atlantique** - Brest campus - International office
